Organically approved non-GMO Rhizobium inoculants are available

-All seed must be paid in full at time of delivery/pickup.

-Delivery costs are NOT included in seed price.

-

- Pallet deposit of \$10.00/pallet, refundable upon return of pallet in same condition

- All returned seed - 10% re-stocking fee. Only sealed bags in original condition will be accepted for return.

SHIPPING OPTIONS - we offer the following seed shipping options:

You pick it up – always the cheapest, but please always call 24 hours in advance so we can have your order ready for you!

Teals Express – a really great family-owned trucking company out of Watertown, they ship pallets throughout the northeast. Most places will cost around \$200/pallet (up to 2500 lb per pallet) for farm delivery, your forklift unload.

YRC, Rist or FedEx – for pallet (LTL) delivery outside the Northeast, rates vary with location. Call for a quote.

UPS – delivery in 2 days, only cost effective for 5 bags or less. The UPS charge is usually about \$35/bag.

Wilson Transport – a great family company out of Arcade doing a pallet delivery route from Penn Yan west to past Buffalo. The delivery cost is \$50/up to 1000# or \$90/T. There is a first time charge of \$25 for all initial deliveries.

Our feed truck – we can sometimes deliver bags of seed to your farm or a farm near you when we make feed deliveries. Active feed customers take priority if space is limited. The delivery cost is \$1.50/ 50 lb bag.
